Employers and corporations across the United States agree that strong environmental protections are good for everyone!

Employer Matching Gifts Program

Your employer may double the impact of your support!

Saving the Earth Starts with a Strong Foundation

The Sierra Club Foundation Employer Matching Gifts Program allows you to multiply the impact of your generous tax-deductible donation to preserve and protect our natural environment for generations to come.

Charitable donations to The Sierra Club Foundation fund a broad scope of environmental projects across the United States and overseas. Our projects include public education, litigation, research on climate change, clean energy solutions, biological diversity and wilderness, toxic pollutants, environmental justice, and green jobs.

Thank you for checking to see if your Foundation gift can be matched by your employer, allowing your support to work twice as hard to protect the environment. Together, we can make a difference.

The Sierra Club Foundation promotes efforts to educate and empower people to protect and improve the natural and human environment.

We partner with individual and institutional donors to align financial resources with strategic outcomes, provide flexible funding for innovation, build capacity in the environmental movement, and create partnerships with a broad spectrum of allied organizations around shared values and goals. As the fiscal sponsor of the charitable programs of the Sierra Club, we provide resources to it and other nonprofit organizations to support scientific, educational, literary, organizing, advocacy, and legal programs that further our goals.

Please take a moment to check the partial list of participating companies to see if your employer has a Matching Gift Program. Your company may be a division, subsidiary, or affiliated company of a participating organization. (Please note that Sierra Club membership dues and outright gifts to the Sierra Club are not eligible for matching funds.)

Ask your employer about opportunities to multiply the impact of your charitable giving. If your employer does not currently have a Matching Gifts Program, you may be able to help your company start a program and join our important efforts to protect and preserve the environment. For further information, please contact The Sierra Club Foundation at (415) 995-1783 or send an email to matchinggifts.tscf@sierraclub.org.

The Sierra Club Foundation Employer Matching Gifts Program

Make your gift work twice as hard to protect the environment with The Sierra Club Foundation Employer Matching Gifts Program. Ask your workplace whether your company will match your donation to The Sierra Club Foundation to automatically double the value of your gift!

It’s Easy...

1. Request a matching gift form from your company’s Human Resources or Corporate Relations department. Some companies will also match gifts made by spouses or retired employees.

2. Send the completed form to:
The Sierra Club Foundation
2101 Webster Street, Suite 1250
Oakland, CA 94612

3. That’s it!
We will inform your employer of the amount of your original gift. Your employer will then forward a matching gift to The Sierra Club Foundation – doubling the value of your generous contribution!

Thank you for your generous support.
